WOOD BADGE TICKET

The purpose of the Wood Badge experience is to strengthen Scouting in our units, our districts, and our councils. The Wood Badge "ticket" represents each participant's commitment to complete a set of personal goals relating to that individual's scouting position. These goals will significantly strengthen the program in which the participant is involved.

In addition, the ticket gives participants an opportunity to practice and demonstrate a working knowledge of the leadership skills presented during the course. Participants should complete their Wood Badge ticket no later than 18 months after the course.

RECOGNITION

Upon completion of the Wood Badge ticket, as certified by a ticket counselor and the participant, the participant will be presented with the Wood Badge certificate, neckerchief, woggle and beads at an appropriate ceremony.
